

Learning adds color to your world!

I have been teaching for 28 years. This is my seventh year in the Ser Ninos family. I taught at Ser Ninos I for three years. I have been in first/second grade at Ser Ninos II for four years. I am so happy that I get to spend my day with your kids!

I am married, and I have 6 amazing kids! My youngest kids are in college, high school and high school. My youngest son will graduate this year. My oldest kids are married with children of their own. I am Blessed to have such a wonderful family at home and at work!
