Report on the Financial Statements

We have audited the accompanying financial statements of SER-Ninos, Inc. (a nonprofit organization), which comprise the statement of financial position as of August 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of SER-Ninos, Inc. as of August 31, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 5, 2021, on our consideration of SER-Ninos, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of SER-Ninos, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering SER-Ninos, Inc.'s internal control over financial reporting and compliance.

B. Summary of Significant Accounting Policies:

BASIS OF PRESENTATION

The accompanying general-purpose financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles. SER-Ninos, Inc. reports its financial information based on the Financial Accounting Standards Board Accounting Standards Codification 958 Not-for-Profit Entities-205 Presentation of Financial Statements. B. Summary of Significant Accounting Policies: (Continued)

CLASSIFICATION OF NET ASSETS—

Net assets of SER-Ninos, Inc. are classified based on the presence or absence of donor-imposed restrictions. Net assets are comprised of two groups as follows:

Net Assets Without Donor Restrictions— Amounts that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or been met.

Net Assets with Donor Restrictions – Assets subject to usage limitations based on donor-imposed or grantor restrictions. These restrictions may be temporary or may be based on a particular use.

Restrictions may be met by the passage of time or by actions of the SER-Ninos, Inc. Certain restrictions may need to be maintained in perpetuity. Earnings related to restricted net assets will be included in net assets without donor-restrictions unless otherwise specifically required to be included in donor-restricted net assets by the donor or by applicable state law. On occasion, the governing board may designate a portion of net assets without donor restrictions for a specific purpose. Designated net assets are not governed by donor-imposed restrictions and may be reversed by the governing board at any time.

SUPPORT AND REVENUE

Support and revenue are recorded based on the accrual method.

CASH DONATIONS AND DONATED SERVICES

Cash donations are considered to be available for unrestricted use unless specifically restricted by the donor. No amounts have been reflected in the financial statements for donated services since no objective basis is available to measure the value of such donations. Nevertheless, a substantial number of volunteers have donated their time in connection with the program service and administration of the organization.

CONTRIBUTIONS

In accordance with Financial Accounting Standards Board Accounting Standards Codification 958 Not-for-Profit Entities-605 Revenue Recognition, contributions received are recorded as with donor restrictions and without donor restrictions support depending on the existence or nature of any donor restrictions.

SER-NINOS, INC.

NOTES TO FINANCIAL STATEMENTS

B. Summary of Significant Accounting Policies: (Continued)

PROPERTY AND EQUIPMENT

Property and equipment purchased by SER-Ninos, Inc. are recorded at cost. Donations of property and equipment are recorded at their fair value at the date of the gift. All purchases and donations in excess of \$5,000 are capitalized. Depreciation is provided on the straight-line method based upon estimated useful lives of five years for equipment, seven years for furniture, fifteen years for building and land improvements, and thirty years for buildings. Gains or losses on retired or sold property and equipment are reflected in income for the period. The proceeds from such sales which are not legally required or expected to be reinvested in property and equipment are transferred to net assets without donor restrictions.

PLEDGES AND ACCOUNTS RECEIVABLE

Contributions are recognized when the donor makes a promise to give a contribution to SER-Ninos, Inc. that is in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

No provision has been made for uncollectible promises to give and accounts receivable as of the statement of financial position date, given that none have been identified.

FUNCTIONAL EXPENSES

Expenses are charged to each program based on direct expenditures incurred. Functional expenses which cannot readily be related to a specific program are charged to the various programs based upon hours worked, square footage, number of program staff, or other reasonable methods for allocating the organization's multiple function expenditures.

B. Summary of Significant Accounting Policies: (Continued)

CASH AND CASH EQUIVALENTS

SER-Ninos, Inc. considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash is held in demand accounts at a bank. The accounts at this institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. The bank accounts, at times, exceeded federally insured limits. Even though the organization has not experienced any losses on such accounts, arrangements should be made to avoid potential, future losses.

INVESTMENTS

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values on the statement of financial position. Unrealized gains and losses are included in the change in net assets.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires SER-Ninos, Inc. management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Pension Plan:

Plan Description

The charter school contributes to the Teacher Retirement System of Texas (“TRS”), a cost sharing, multiple-employer defined benefit pension plan with one exception; all risks and costs are not shared by the charter school, but are the liability of the State of Texas. TRS administers the retirement and disability annuities, and death and survivor benefits to employees and beneficiaries of employees of the public school systems of Texas.

The plan operates primarily under the provisions of the Texas Constitution, Article XVI, Sec. 67, and Texas Government code, Title 8, Chapters 803 and 805 respectively. The Texas State legislature has the authority to establish and amend benefit provisions of the pension plan and may, under certain circumstances, grant special authority to the TRS Board of Trustees.

SER-NINOS, INC.

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2020

C. Pension Plan: (Continued)

TRS issues a publicly available financial report that includes financial statements and required supplementary information for the defined benefit plan. That report may be obtained by writing to the TRS Communications Department, 1000 Red River Street, Austin, Texas 78701 or by calling the TRS Communications Department at 1-800- 223-8778, or by downloading the report from the TRS Internet website, www.trs.state.tx.us, under the TRS Publications Heading.

Charter schools are legally separate entities from the State and each other. Assets contributed by one charter or independent school district (“ISD”) may be used for the benefit of an employee of another ISD or charter. The risk of participating in multi-employer pension plans is different from single-employer plans. Assets contributed to a multi-employer plan by one employer may be used to provide benefits to employees of other participating employers. If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers. There is no withdrawal penalty for leaving the TRS system. There is no collective-bargaining agreement. The latest TRS Comprehensive Annual Financial Report available dated August 31, 2020 provided the following information (ABO refers to the accumulated benefit obligation):

Pension Fund	Total Plan Assets 2020	ABO 2020	Percent Funded
TRS	\$ 184,361,871,000	\$ 218,974,205,000	75.54 %

Funding Policy

Contribution requirements are not actuarially determined but are established and amended by the Texas state legislature. The state funding policy is as follows: (1) the state constitution requires the legislature to establish a member contribution rate of not less than 6.0% and not more than 10% of the aggregate annual compensation of all members of the system; (2) A state statute prohibits benefit improvements or contribution reductions if, as a result of a particular action, the time required to amortize TRS’ unfunded actuarial liabilities would be increased to a period that exceeds 31 years, or, if the amortization period already exceeds 1 year, the period would be increased by such action. State law provides for a member contribution rate of 7.7% for fiscal year 2020, and a state contribution rate of 7.5% for fiscal year 2020. The charter school’s employee contributions to the system for the year ended August 31, 2020 were \$476,148, equal to the required contributions for the year.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To The Board of Directors of
SER-Ninos, Inc.
Houston, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of SER-Ninos, Inc. (a nonprofit organization), which comprise the statement of financial position as of August 31, 2020, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 5, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered SER-Ninos, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SER-Ninos, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of SER-Ninos, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether SER-Ninos, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To The Board of Directors of
SER-Ninos, Inc.
Houston, Texas

Report on Compliance for Each Major Federal Program

We have audited SER-Ninos, Inc. compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of SER-Ninos, Inc.'s major federal programs for the year ended August 31, 2020. SER-Ninos, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of SER-Ninos, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about SER-Ninos, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of SER-Ninos, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion SER-Ninos, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2020.

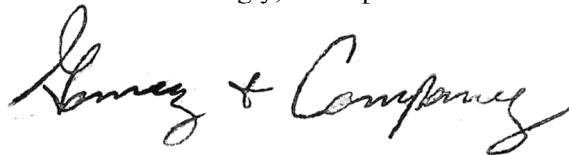

Report on Internal Control Over Compliance

Management of SER-Ninos, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered SER-Ninos, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of SER-Ninos, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
