School Report

We had the prom on May 2. 50% of the students attended. They had fun. They dressed formally. It was a sit-down dinner. Students are in summer school.

We had a parent dinner on May 13th. The French class sang a song. The parent dinner was for the senior class. We gave out cord for first generation high school graduates. We gave a cord to students who were here since PK. We had 21 students who were here since PreK and 20 students who were first generation high school graduates. The Business Club gave out awards. We had National Honor Society recognition, winners of the Science and History Fair. We gave out the Principal Award for GPA and attendance. Some students made speeches. I gave awards to the parents. I made a plaque, it said SER-Niños First Family and the students last name at the bottom. I gave it out because they were the first family to graduate with us and have been around since PreK. It was two hours long. We gave them a backpack as well.
