Meet the Assistant Principal

MRS. VERA

EDUCATION:

I hold a Bachelor's degree in Journalism from Universidad Católica Andrés Bello in Venezuela and a Master's degree in TV and Film Direction from Universitat Ramon Llull in Barcelona, Spain. I bring eight years of teaching experience across different grade levels and subject areas. Now in my first year as a Middle School Assistant Principal, I am committed to supporting teachers, fostering student success, and building a positive and inclusive school community.

ABOUT ME:

I am originally from Venezuela and have been living in the United States for over 10 years. As a mother of a middle school student, I understand the importance of education not only as a foundation for academic success but also as one of the greatest gifts we can give our children. I believe education is the key to a brighter future and that parents play a vital role in their children's success. Building strong partnerships between families and schools is essential to creating a supportive environment where every student can thrive.

CERTIFICATES:

I am certified to teach in the State of Texas and hold a Bilingual Education Certification, which allows me to support students from diverse linguistic and cultural backgrounds. I am currently working toward my Principal Certification to further develop my leadership skills and expand my knowledge of school administration.
